

## Current Unclaimed Capital Credits

Each year we publish a list of members who did not claim their capital credit refund checks. If you have any information as to the location or address of any of the following individuals or businesses, please contact Grand Valley Power at 970-242-0040.

These capital credit checks belong to YOU - the members of Grand Valley Power. They are your share of the margins that are earned each year. In order for these funds to be returned to you, Grand Valley Power needs to be apprised of any address changes that you make.
