\*\*\*\*All nonfood items must be put into a snack bag before placing in the quart bag. If it is too strong smelling to put in with other items it is too strong to send to our military. Commanders say The enemy doesn't bathe if we smell good they can smell us

All items must be factory sealed. \* NO twist tied candy or in cardboard boxes, they can be tampered with too easy and unnoticed. \*\* condiments and toiletries must be put into snack bags in case they leak and ruin everything else in the quart bag. \*\*Tea and Coffee packets must be in foil, no paper wrappers they are too easy to tamper with. NO aerosol cans of any kind including shave cream. No alcohol or tobacco or any kind. NO books, movies (DVD's) or CD's approved reading material only (see restricted list)
